

## Important Party Notes

- Parties are held during normal hours of operation. To hold your party after hours please inquire about private rental fees.
- Everyone who enters the facility counts as a guest, even if they are non-swimmers or pass holders. Package prices include admission for all guests— plus a free pass for a return visit!
- You are welcome to bring any decorations as well as a cake or other treats for your party.
- All food items must be kept at the Party Shelter; located to the east of the building. Exceptions are made during the winter season.
- No Substitutions can be made to the packages.
- Remember— children 8 and under must have an adult in the water with them. We recommend at least 1 adult for every 3 children.
- A nonrefundable \$20 deposit is due to hold your date. This is applied towards the final cost.
- In the event of inclement weather, the party will be rescheduled for no additional cost.
