

DATE: January 24, 2010
TO: Officer Bill Puryear
RE: Recognition of life saving efforts
Event 2010011851, ambulance call
FROM: Cpl. Steven T Albertson

Bill,

I would like to take this opportunity to commend and thank you for your life saving efforts on January 21, 2010 at 1006 N Luther.

You received a request for assistance by personal communications for Mr. Golladay who was having medical issues, was not breathing and had no pulse. Using your training you assessed the situation, began CPR, for about 7 minute and obtain a pulse, then continue rescue breathing for about another 5 minutes until emergency personal arrived on scene to take over.

Your efforts no doubt saved the life of Mr. Golladay and you are to be commended for your work. This is an outstanding example of your hard work, dedication to your profession and a roll model for everyone.

Congratulations and thank you for your service to the City of Kirksville.

Cpl. Steven T Albertson
