
KIRKSVILLE CITY COUNCIL REPORT

Council Meeting Date: June 18, 2012

Agenda Item: 5

Report Prepared by: Sarah Halstead, Community Services Coordinator

Recommended Motion: To authorize the City Manager to execute an agreement on behalf of the City of Kirksville with Northeast Missouri Solid Waste Management District for District Grant funds.

Background: In January 2012, the City of Kirksville submitted an application to the Northeast Missouri Solid Waste Management District (SWMD) for a grant through the Missouri Department of Natural Resources. The City was recently notified of grant award in the amount of \$14,651.

The SWMD Grant funds will be used to increase park and playground accessibility, while reducing waste through the purchase of recycled picnic tables and bicycle racks. The City will purchase 20 bicycle racks and 8 picnic tables, which will be placed in 8 City parks. Two of the picnic tables will be ADA compliant.

Fiscal Impact: The project requires a 25% match. Total project cost is estimated to be \$20,286, with SWMD funds covering \$14,651. The amount of local matching funds includes \$4,987 in-kind labor and equipment, and \$648 for concrete and rock supplies.

Respectfully submitted,

Mari E. Macomber
City Manager
