# KIRKSVILLE CITY COUNCIL REPORT

---

**Council Meeting Date:** February 03, 2014

**Agenda Item:** 11

**Report Prepared by:** Alan Griffiths, Public Works Director

**Recommended Motion:** To approve a bid from HD Supply of Columbia, Missouri to supply pipe, valves and fittings for water main construction and repair.

**Background:** Each year, the City purchases pipe and fitting materials for use in new water main construction projects, for replacement of lines where increased capacity is needed for fire protection and for major repair projects. Bids for this purchase were opened on January 21, 2014, and the lowest bidder was HD Supply with a bid price of \$123,736.19. The City received four bids as shown on the attached Bid Tabulation sheet ranging from \$123,736.19 to \$128,003.80, and there were no local bidders.

**Fiscal Impact:** The bid price for pipe and fitting materials is \$123,736.19 and will be purchased under Water Fund Capital lines 8060-8110 and 8160-8110 (Water Lines and Hydrants). The budgeted amounts were \$190,000 and \$157,500 respectively for a total of \$347,500, with the remaining balance after award of this bid to be used throughout the year for additional water pipeline material purchases as necessary.

Respectfully submitted,

Mari E. Macomber  
City Manager
