A Public Hearing was held on October 15, 2009, outlining the proposed changes to the user charge system. There were no citizens in attendance or comments made at the public hearing. There was a shortfall of revenues of \$1.2 million after the 2010 utility fund budget was compiled, and it is proposed that this \$2.50 per month increase will partially offset expenditures in 2010. It has been several years since there was an increase.

Another provision is also proposed to make it unlawful to occupy a premise that is not supplied with potable water.

The motion carried by the following vote: Mayor Rowe – aye; Councilmembers: Kuhns – aye; Chrisman – aye; Detweiler – aye; Rodgerson – aye. 5 Ayes; 0 Nays.

AUTHORIZATION OF BONDS

Section 201. Authorization of Bonds. The Bonds are authorized and directed to be issued in the Maximum Principal Amount subject to the terms and for the purposes of this Ordinance. Upon the Completion of Funding pursuant to the Purchase Agreement, the principal amount of the Bonds issued under this Ordinance will be the Cumulative Principal Amount Outstanding as of the Completion of Funding plus the principal amount previously redeemed

pursuant to Article III. The remaining voted authorization, if any, will be the voted amount less the amount issued as calculated pursuant to the preceding sentence.

Section 202. Security for Bonds.

(a) The Bonds are special, limited obligations of the City payable solely from, and secured by a pledge of, the Net Revenues. The taxing power of the City is not pledged to the payment of the Bonds. The Bonds do not constitute a general obligation of the City or an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction.

(b) The Bonds are junior and subordinate to the Outstanding Senior Sewer Bonds with respect to payment of principal and interest from the Sewer Net Revenues. In the event of any default in the payment of the Outstanding Senior Sewer Bonds, the Sewer Net Revenues will be applied solely to the payment of the principal of and interest on the Outstanding Senior Sewer Bonds until the default is cured.

(c) The Bonds are junior and subordinate to the Outstanding Senior Water Bonds with respect to payment of principal and interest from the Water Net Revenues. In the event of any default in the payment of the Outstanding Senior Water Bonds, the Water Net Revenues will be applied solely to the payment of the principal of and interest on the Outstanding Senior Water Bonds until the default is cured.

(d) The Bonds are issued on a parity with the Outstanding Parity Bonds.

Section 203. Description of Bonds. The Bonds consist of registered bonds without coupons, numbered from R-1 consecutively upward, in the denomination of \$100 or any integral multiple of \$0.01 in excess thereof. The Bonds will be issued in substantially the form of Exhibit A and will be registered, transferred and exchanged as provided in Section 206. The Bonds are dated the Closing Date. The Bonds will mature and become due on the Stated Maturity (subject to optional and mandatory redemption prior to Stated Maturity as provided in Article III). The Bonds will bear interest on the Cumulative Principal Amount Outstanding at the Interest Rate from the Closing Date and the date of receipt of each Purchase Price Installment by the Paying Agent pursuant to the Purchase Agreement (as set forth on Schedule A to a Bond) or from the most recent Interest Payment Date to which interest has been paid or provided for. Interest is computed on the basis of a 360-day year of twelve 30-day months and is payable on each Interest Payment Date.

Section 204. Designation of Paying Agent. The City has designated the Paying Agent as the City's paying agent for the payment of the principal of and interest on the Bonds, bond registrar for the registration, transfer and exchange of Bonds and escrow agent with respect to the funds established with the Paying Agent under the Escrow Agreement.

Section 205. Method and Place of Payment of Bonds.

(a) Payment of the Bonds will be made with any coin or currency that is legal tender for the payment of debts due the United States of America on the payment date.

(b) The payment of the principal of and redemption premium, if any, payable on each Bond at Stated Maturity or upon earlier redemption and the interest payable on each Bond on any Interest Payment Date will be made by check or draft mailed by the Paying Agent to the address of the Owner shown in the Bond Register. The principal of and redemption premium, if any, and interest on the Bonds is payable by electronic transfer in immediately available federal funds to a bank in the continental United States of America pursuant to instructions from any Owner received by the Paying Agent prior to the Record Date.

(c) Payments of principal on the Bonds pursuant to Article III may be made directly to the Owner without surrender of any Bond to the Paying Agent. Accordingly, any transferee of a Bond should verify with the Paying Agent the principal of the Bond outstanding prior to such purchase or transfer, and the records of the Paying Agent shall be conclusive for such purposes.

(d) The Paying Agent will keep a record of payment of principal of, redemption premium, if any, and interest on all Bonds and, at least annually at the request of the City, will forward a copy or summary of the record of payments to the City.

(e) The Bonds will be held by the Paying Agent in trust for each Owner, unless the Paying Agent is otherwise directed in writing by an Owner.

Section 206. Registration, Transfer and Exchange of Bonds.

(a) The City will cause the Paying Agent to keep the Bond Register. Each Bond when issued will be registered in the name of the Owner on the Bond Register. Bonds will be transferred and exchanged only upon the Bond Register.

(b) Upon surrender of any Bond at the payment office of the Paying Agent in St. Louis, Missouri (or other office designated by the Paying Agent), the Paying Agent will transfer or exchange the Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond which was presented for transfer or exchange. All Bonds presented for transfer or exchange must be accompanied by a written instrument of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Owner or by the Owner's authorized agent. All Bonds presented for transfer or exchange must be surrendered to the Paying Agent for cancellation.

(c) For every exchange or transfer of Bonds the City or the Paying Agent may levy a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid for the exchange or transfer. The person requesting the exchange or transfer must pay the charge. Payment of the charge is a condition precedent to the exchange or transfer. If any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying

Agent may make a charge against the Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Internal Revenue Code of 1986, as amended, this amount may be deducted by the Paying Agent from amounts payable to the Owner under this Ordinance and the Bonds.

(d) The City and the Paying Agent will treat the person in whose name any Bond is registered on the Bond Register as the absolute owner of the Bond, whether or not payment of the Bond is overdue, for the purpose of receiving payment of the principal of, redemption premium, if any, and interest on the Bond and for all other purposes. All payments made to any Owner or upon the Owner's order will be valid and effectual to satisfy and discharge the City's liability for payment of the Bond to the extent of the sum or sums paid. Neither the City nor the Paying Agent will be affected by any notice to the contrary.

(e) At reasonable times and under reasonable rules established by the Paying Agent, the Owners of 25% or more in principal amount of the Outstanding Bonds, or their representative designated in a manner satisfactory to the Paying Agent, may inspect and copy the Bond Register.

Section 207. Execution, Authentication and Delivery of Bonds.

(a) Each Bond must be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and have the official seal of the City affixed or imprinted thereon. If any officer whose manual or facsimile signature appears on any Bond ceases to be an officer before the delivery of any Bond signed by the officer, the manual or facsimile signature on the Bond will be valid and sufficient for all purposes of this Ordinance.

(b) The Mayor and the City Clerk are directed to prepare and execute the Bonds as specified in this Article, and when executed, to deliver the Bonds to the Paying Agent for authentication. Each Bond will be authenticated by any authorized signatory of the Paying Agent. No Bond is entitled to any security or benefit under this Ordinance or is valid or obligatory for any purpose until authenticated by the Paying Agent.

(c) Prior to the Completion of Funding, promptly upon the receipt by the Paying Agent of each Purchase Price Installment paid by the Owner in accordance with the Purchase Agreement, an authorized signatory of the Paying Agent will endorse Schedule A to a Bond with the date of receipt of the Purchase Price Installment, the amount of the Purchase Price Installment and the resulting Cumulative Principal Amount Outstanding. No further entries to Schedule A will be made after the Completion of Funding.

Section 208. Mutilated, Destroyed, Lost and Stolen Bonds.

(a) If (i) any mutilated Bond is surrendered to the Paying Agent, or the City and the Paying Agent receive evidence to their satisfaction of the mutilation, destruction, loss or theft of any Bond, and (ii) there is delivered to the City and the Paying Agent security or indemnity as required by them, in the absence of notice to the City or the Paying Agent that the Bond has been

acquired by a bona fide purchaser, the City will execute and the Paying Agent will register and deliver, in exchange for or in lieu of any mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount. If the Bond has become or is about to become due, the City may pay the Bond instead of issuing a new Bond.

(b) Upon the issuance of any new Bond under this Section, the City or the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge imposed and any other expenses (including the fees and expenses of the Paying Agent) connected with the issuance of the Bond.

(c) Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Bond will constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost or stolen Bond is enforceable by anyone at any time, and will be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds which have been paid or redeemed or which have otherwise been surrendered to the Paying Agent, either at or before Stated Maturity, will be canceled immediately upon the payment or redemption and the Paying Agent's receipt of the Bonds. The Paying Agent will periodically destroy canceled Bonds. The Paying Agent will execute a certificate in duplicate describing the destroyed Bonds and file an executed counterpart of the certificate with the City.

Section 210. Sale of the Bonds; Authorization and Execution of Documents.

(a) The Bonds will be sold to the Owner at the purchase price of 100% of the initial installment paid on the Closing Date plus each Purchase Price Installment made by the Owner thereafter pursuant to Section 3.3 of the Purchase Agreement, without accrued interest.

(b) The City is authorized to enter into the Purchase Agreement, the Escrow Agreement and the Grant Agreement, in substantially the forms presented to the Governing Body. The Mayor is authorized to execute the Purchase Agreement, the Escrow Agreement and the Grant Agreement for and on behalf of and as the act and deed of the City, with changes approved by the Mayor, which approval will be conclusively evidenced by the signature of the Mayor of the City. The Mayor is further authorized and directed to execute other documents, certificates and instruments that are necessary or desirable to carry out the intent of this Ordinance. The City Clerk is authorized and directed to attest the execution of the Purchase Agreement, the Escrow Agreement and the Grant Agreement and any other documents, certificates and instruments that are necessary or desirable to carry out the intent of this Ordinance.

Section 211. Administrative Fee and Paying Agent's Fee. Subject to Section 202, the City will pay to the Paying Agent, within 30 days after receipt of a statement from the Paying Agent, (i) the Administrative Fee, and (ii) an amount equal to the Paying Agent's fees and expenses as provided in the Escrow Agreement.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Optional Redemption. At the option of the City, with the prior written consent of the Owner, Bonds may be called for redemption and payment prior to Stated Maturity in whole or in part at any time, at the redemption price of 100% of the principal amount thereof plus accrued interest thereon to the date of redemption.

Section 302. Mandatory Redemption Provisions.

(a) The Bonds are subject to mandatory sinking fund redemption in part, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date, on the Principal Payment Dates and in the principal amounts as set forth on Exhibit B.

(b) If upon the Completion of Funding, the Cumulative Principal Amount Outstanding is less than the Maximum Principal Amount (disregarding any scheduled redemptions above that have occurred prior to the Completion of Funding), the principal amount for each Principal Payment Date following the Completion of Funding will be reduced on a proportionate basis (to the nearest \$0.01). The Owner will provide a replacement Exhibit B reflecting the reductions to the principal amounts to the Paying Agent and the City, which will be binding on the City absent manifest error and will replace the previous Exhibit B without any further action on the part of the City. The revised Exhibit B is subject to such verification requirements as may be reasonably established by the Paying Agent.

Section 303. Selection of Bonds to Be Redeemed. The redemption of the Bonds in part will be reflected in the records maintained by the Paying Agent.

Section 304. Notice and Effect of Call for Redemption.

Unless waived by any Owner of Bonds to be redeemed, the Paying Agent, on behalf of the City, will give notice by mailing a redemption notice, at least 15 days, but not more than 30 days, prior to the date fixed for redemption, to the Owner of Bonds to be redeemed at the address shown on the Bond Register.

(b) All redemption notices will be dated and include the following information:

(5) the address of the principal office of the Paying Agent where the Bonds must be surrendered for payment of the redemption price.

(c) If notice of redemption has been given or waived, the Bonds or portions to be redeemed will become due and payable on the redemption date at the redemption price specified in the notice. From and after the redemption date (unless the City defaults in the payment of the redemption price), the called Bonds will cease to bear interest. is earlier than the expected Initiation of Operations, (i) the first quarterly installment of principal of the Bonds will be paid no later than the Quarterly Payment Date which is not more than 12 months after the Initiation of Operations, and (ii) on the Quarterly Payment Date which is not more than 20 years after the Initiation of Operations, all remaining unpaid principal installments of the Bonds will be paid;

(e) No moneys derived by the City from the System will be diverted to the general governmental or municipal functions of the City.

If the OM Deposits required under this Section are less than those required in the User Charge Ordinance, OM Deposits under this Section will be deemed a credit to OM Deposits required under the User Charge Ordinance.

Section 503. Deficiency of Payments into Funds and Accounts.

(a) If the Revenues are insufficient to make any payment on any date specified in this Article, the City will make good the amount of the deficiency by making additional payments out of the first available Revenues for application in the order specified in Section 502.

(b) If the moneys in the Outstanding Senior Sewer Bond Debt Service Account, the Outstanding Senior Water Bond Debt Service Account, the Outstanding Senior Sewer Bond Debt Service Reserve Account, the Outstanding Senior Water Bond Debt Service Reserve Account, the Outstanding Parity Bond Debt Service Account, the Outstanding Parity Bond Debt Service Reserve Account, the Principal Account or the Interest Account are not sufficient to pay the principal of and interest on the Outstanding Senior Sewer Bonds or the Outstanding Senior Water Bonds, as applicable, the Outstanding Parity Bonds and the Bonds as and when the same become due, the City will apply moneys in the Surplus Account and the Sewerage System Subaccount or the Waterworks Subaccount of the Depreciation and Replacement Account first to the Outstanding Senior Sewer Bond Debt Service Account or the Outstanding Senior Water Bond Debt Service Account, as applicable, and then on a proportionate basis (based upon the outstanding principal amounts of the Bonds and the Outstanding Parity Bonds) to the Outstanding Parity Bond Debt Service Account, the Principal Account and the Interest Account, to prevent any default in the payment of the principal of and interest on the Outstanding Senior Sewer Bonds or the Outstanding Senior Water Bonds, as applicable, the Outstanding Parity Bonds and the Bonds.

Section 504. Transfer of Funds to Paying Agent. The City Manager is authorized and directed to make the payments to the Principal Account and the Interest Account as provided in Section 502, and, to the extent necessary to prevent a default in the payment of any System Revenue Bonds, from the Surplus Account and from the Depreciation and Replacement Account as provided in Sections 502 and 503, sums sufficient to pay the System Revenue Bonds when due, and to forward amounts to the Paying Agent by the Funds Transfer Method which ensures the Paying Agent will have sufficient available funds on or before the second Business Day

immediately preceding the dates when payments on the Bonds are due. Upon the payment of all principal and interest on the Bonds, the Paying Agent will return any excess funds to the City. Except as otherwise provided in the Escrow Agreement, all moneys deposited by the City with the Paying Agent are subject to the provisions of this Ordinance.

Section 505. Business Days. If any date for the payment of principal of, or redemption premium, if any, or interest on the Bonds or the taking of any other action hereunder is not a Business Day, then such payment shall be due, or such action shall be taken, on the first Business Day thereafter with the same force and effect as if made on the date fixed for payment or performance.

ARTICLE VI INVESTMENT OF MONEYS

Section 601. Investment of Moneys.

(a) Moneys held in any fund or account referred to in this Ordinance may be invested in Investment Securities; provided, however, that any fund or account held by the Paying Agent shall be invested as provided in Section 11 of the Escrow Agreement. No such investment will be made for a period extending longer than the date when the money invested may be needed. All earnings on any investments held in any fund or account will accrue to the applicable fund or account. In determining the amount held in any fund or account under this Ordinance, obligations will be valued at the lower of cost or market value. If the amount in any fund or account held within the Treasury of the City is greater than the required amount, the City may transfer the excess to the Revenue Fund.

(b) If the Outstanding Senior Sewer Bonds or Outstanding Senior Water Bonds are outstanding, any investments made pursuant to this Section are subject to the restrictions in the Outstanding Senior Sewer Bond Ordinance or the Outstanding Senior Water Bond Ordinance, as applicable.

ARTICLE VII

PARTICULAR COVENANTS OF THE City

Section 701. Efficient and Economical Operation; User Charge Ordinance. The City will continuously own and will operate the System in an efficient and economical manner and will keep and maintain the System in good repair and working order. The City has duly approved the User Charge Ordinance and will enforce the provisions thereof.

Section 702. Rate Covenant. The City will fix, establish, maintain and collect rates and charges for the use and services furnished by or through the System to produce income and revenues sufficient to (a) pay the costs of the operation and maintenance of the System; (b) pay the principal of and interest on the Bonds as and when due; (c) enable the City to have in each Fiscal Year Net Revenues of not less than 110% of the amount required to be paid by the City in the Fiscal Year on account of both principal of and interest on all System Revenue Bonds at the

time outstanding, provided that interest on any SRF Leveraged Program Bonds will be reduced by the SRF Subsidy, if any; and (d) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the System as provided in this Ordinance. The City will require the prompt payment of accounts for service rendered by or through the System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges.

Section 703. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the City itself) without a reasonable charge being made therefor. If the income and revenues derived by the City from the System are insufficient to pay the reasonable expenses of operation and maintenance of the System and the principal of and interest on the Bonds when due, the City will pay into the Revenue Fund a fair and reasonable payment in accordance with effective applicable rates and charges for all services or other facilities furnished to the City or any of its departments by the System.

Section 704. Annual Budget. Prior to the commencement of each Fiscal Year, the City will cause a budget setting forth the estimated receipts and expenditures of the System for the next succeeding Fiscal Year to be prepared and filed with the City Clerk. The City Clerk, within 30 days after the end of the current Fiscal Year, will mail a copy of the budget to the Owner. The annual budget will be prepared in accordance with the laws of the State.

Section 705. Annual Audit.

(a) Promptly after the end of each Fiscal Year, the City will cause an audit of the System for the preceding Fiscal Year to be made by a certified public accountant or firm of certified public accountants employed for that purpose and paid from the Revenues. The annual audit will cover in reasonable detail the operation of the System during the Fiscal Year.

(b) As soon as possible after the completion of the annual audit, the Governing Body will review the annual audit, and if the annual audit reveals any breach of this Ordinance, the City agrees to promptly cure the breach.

(c) Within 30 days after the acceptance of the audit by the Governing Body, a copy of the annual audit will be filed in the office of the City Clerk, and a copy of the audit will be mailed to the Owner. The annual audit will be open to examination and inspection during normal business hours by any taxpayer, any user of the services of the System, the Owner, or anyone acting for or on behalf of the taxpayer, user or Owner.

(d) The City acknowledges its undertakings set forth in Section 2.1(t) of the Purchase Agreement.

Section 706. Performance of Duties. The City will faithfully and punctually perform all duties and obligations with respect to the operation of the System, including all extensions and improvements thereto, now or hereafter imposed upon the City by the constitution and laws of the State and by the provisions of this Ordinance.

ARTICLE VIII

ADDITIONAL BONDS

Section 801. Prior Lien Bonds. Except as provided in Section 804, the City will not issue any debt obligations payable out of the Net Revenues which are superior in lien, security or otherwise to the Bonds.

Section 802. Parity Lien Bonds or Obligations.

(a) The City will not issue any additional bonds or other long-term obligations payable out of the Net Revenues of the System that stand on parity or equality with the Bonds unless the following conditions are met:

(1) the City is not in default in the payment of principal or interest on the Bonds or any Parity Bonds or in making any deposit into the funds and accounts under this Ordinance or any Parity Ordinance; and

(2) the City provides to the Owner a certificate showing either of the following:

(A) the average annual Net Revenues as set forth in the two most recent annual audits for Fiscal Years preceding the issuance of additional bonds, are at least 110% of the average annual debt service on the System Revenue Bonds, including the additional bonds proposed to be issued, to be paid out of the Net Revenues in all succeeding Fiscal Years. Interest to be paid on any SRF Leveraged Program Bonds may be reduced by the SRF Subsidy, if any. If the City has made any increase in rates for the use and services of the System and the increase has not been in effect during all of the two Fiscal Years for which annual audits are available, the City may add the additional Net Revenues which would have resulted if the rate increase had been in effect for the entire period to the audited Net Revenues, as certified by a Consultant; or

(B) the estimated average annual Net Revenues for the two Fiscal Years immediately following the Fiscal Year in which the improvements to the System being financed by the additional bonds are to be in commercial operation, as certified by a Consultant, is at least 110% of the average annual debt service on the System Revenue Bonds, including the additional bonds proposed to be issued, to be paid out of the Net Revenues in succeeding Fiscal Years following the commencement of commercial operation of the improvements. Interest to be paid on any SRF Leveraged Program Bonds may be reduced by the SRF Subsidy, if any. In determining the amount of estimated Net Revenues for the purpose of this subsection, a Consultant may adjust the estimated net income and revenues by adding the estimated increase in Net Revenues resulting from any increase in rates for the use and services of the System approved by the City and to become effective during the two Fiscal Years immediately following the Fiscal Year in

which the improvements to the System being financed by the additional bonds are to be in commercial operation.

(b) If the conditions set forth in this Section are satisfied, the City (i) may issue additional revenue bonds or other obligations of the City on a parity with the Bonds and that enjoy complete equality of the lien on the Net Revenues with the Bonds, (ii) may make equal provision for paying the additional revenue bonds or other obligations from the Revenue Fund, and (iii) may secure the additional revenue bonds or other obligations by funding reasonable System debt service accounts and debt service reserve accounts from the Net Revenues.

Section 803. Junior Lien Bonds. Nothing in this Article prohibits or restricts the right of the City to issue additional revenue obligations, including revenue bonds, for the purpose of extending, improving, enlarging, repairing or altering the System, or refunding obligations issued for such purposes, that are subordinate to the Bonds if at the time of the issuance of the additional revenue obligations the City is not in default in the performance of any covenant or agreement in this Ordinance. If the City is in default in paying either interest on or principal of the Bonds, the City will not make any payments on the subordinate revenue obligations until the default is cured. Subject to the limitations in this Section, the City may make provision for paying the principal of and interest on the subordinate revenue bonds or obligations from moneys in the Revenue Fund.

Section 804. Refunding Bonds.

(a) The City may, without complying with the provisions of Section 802, refund any of the Bonds or any Outstanding Parity Bonds in a manner that provides debt service savings to the City, and the refunding bonds so issued will be on a parity with any of the Bonds that are not refunded and any Outstanding Parity Bonds. If the Bonds are refunded in part and the refunding bonds bear a higher average rate of interest or become due on a date earlier than that of the Bonds that are refunded, the City must obtain the prior written consent of the Owner to the issuance of the refunding bonds.

(b) The City may refund any of the Outstanding Senior Sewer Bonds in a manner that provides debt service savings to the City in each subsequent Fiscal Year, and the refunding bonds so issued may have a priority lien on the Sewer Revenues. The City may refund any of the Outstanding Senior Water Bonds in a manner that provides debt service savings to the City in each subsequent Fiscal Year, and the refunding bonds so issued may have a priority lien on the Water Revenues.

ARTICLE IX

DEFAULT AND REMEDIES

Section 901. Events of Default. If (i) the City defaults in the payment of the principal of or interest on any of the Bonds, or (ii) the City or its Governing Body or any of its officers, agents or employees fails or refuses to comply with any provision of this Ordinance, the Constitution or statutes of the State, the Purchase Agreement or the Escrow Agreement and

default continues for a period of 60 days after written notice specifying the non-payment default has been given to the City by the Owner of any Bond then Outstanding, at any time thereafter and while the default continues, the City shall pay to DNR the penalties assessed by DNR in accordance with the Regulations.

Section 902. Remedies.

(a) The provisions of this Ordinance constitute a contract between the City and the Owners of the Bonds. The Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(1) by any proceeding at law or in equity to enforce the rights of the Owner or Owners against the City and its officers, agents and employees, and to compel the performance by the City of its duties and obligations under this Ordinance, the Constitution and the laws of the State;

(2) by any proceeding at law or in equity to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(3) by any proceeding at law or in equity to enjoin any act or thing which is unlawful or in violation of the rights of the Owners of the Bonds.

(b) Any amounts paid on the Bonds to the Owners will be applied first to interest and second to principal, to the extent due and payable.

Section 903. Limitation on Rights of Owners. No Owner has any right in any manner whatever by the Owner's action to affect, disturb or prejudice the security granted and provided for in, or enforce any right under, this Ordinance, except in the manner provided in this Ordinance. All proceedings at law or in equity will be for the equal benefit of all Owners.

Section 904. Remedies Cumulative. No remedy conferred upon the Owners is intended to be exclusive of any other remedy. Each remedy is in addition to every other remedy and may be exercised without exhausting any other remedy conferred under this Ordinance. No waiver by any Owner of any default or breach of duty or contract of the City under this Ordinance will affect any subsequent default or breach of duty or contract by the City or impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default will impair any right or power or will be construed to be a waiver of any default. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be expedient. If any Owner discontinues any proceeding or the decision in the proceeding is against the Owner, the City and the Owners of the Bonds will be restored to their former positions and rights under this Ordinance.

Section 905. No Obligation to Levy Taxes. Nothing in this Ordinance imposes any duty or obligation on the City to levy any taxes either to meet any obligation incurred under this Ordinance or to pay the principal of or interest on the Bonds.

ARTICLE X

DEFEASANCE

Section 1001. Defeasance. When all of the Bonds shall have been paid and discharged, then the requirements contained in this Ordinance and the pledge of revenues made hereunder and all other rights granted hereby shall terminate. Bonds shall be deemed to have been paid and discharged within the meaning of this Ordinance if there shall have been deposited with the Paying Agent, or other bank or trust company located in the State of Missouri, having full trust powers and meeting the requirements of a successor Paying Agent (as set forth in the Escrow Agreement) impressed with a first lien to the Paying Agent for the benefit of the Owners, at or prior to Stated Maturity or redemption date of said Bonds, in trust for and irrevocably appropriated thereto, moneys and/or non-callable Defeasance Securities (the “Defeasance Escrow”) which, together with the interest to be earned on any such obligations, will be sufficient for the payment of the principal of said Bonds and interest to accrue to the Stated Maturity or date of redemption, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments, provided, however, that if any such Bonds shall be redeemed prior to Stated Maturity, (i) the City shall have elected to redeem such Bonds, and (ii) either notice of such redemption shall have been given or the City shall have given irrevocable instructions to the Paying Agent to redeem such Bonds; and provided further, however, there shall be filed with the City, the Owner and the Paying Agent an opinion of Bond Counsel to the effect that the conditions for the defeasance of the Bonds pursuant to this Section have been complied with and, if the payment of the Bonds at Stated Maturity or upon redemption will occur more than 90 days after the deposit of the Defeasance Escrow and interest on the Defeasance Escrow is to be used to pay debt service on the Bonds, the written report of an independent certified public accountant evidencing the sufficiency of the Defeasance Escrow. Any moneys and obligations which at any time shall be deposited with the Paying Agent, or other bank by or on behalf of the City, for the purpose of paying and discharging any of the Bonds shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge of this Ordinance. All moneys deposited with the Paying Agent or other bank shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

ARTICLE XI

AMENDMENTS

Section 1101. Amendments.

(a) Any provision of the Bonds or of this Ordinance may be amended by an ordinance with the prior written consent of the Owners. Consent must be evidenced by an

instrument executed by the Owners, acknowledged or proved in the manner of a deed to be recorded, and filed with the City Clerk.

(b) No amendment will be effective until (i) the City has delivered to the Owners and the Paying Agent an opinion of Bond Counsel stating that the amendment is permitted by this Ordinance and the Act, complies with their respective terms and is valid and binding upon the City in accordance with its terms, and (ii) the City Clerk has on file a copy of the amendment and all required consents.

At the option of the City, the Bonds may be called for redemption and payment prior to maturity in whole or in part as provided in the Ordinance, with the prior written consent of the Owners.

The Bonds are subject to mandatory redemption and payment prior to maturity pursuant to the mandatory redemption requirements of the Ordinance, at a redemption price equal to 100% of the principal amount plus accrued interest to the redemption date.

The Bonds are junior and subordinate to the Outstanding Senior Sewer Bonds with respect to payment of principal and interest from the Sewer Net Revenues. solely to the payment of the principal of and interest on the Outstanding Senior Water Bonds until the default is cured.

The Bonds are issued on parity with the Outstanding Parity Bonds.

Under the conditions set forth in the Ordinance, the City has the right to issue additional bonds payable from the Net Revenues; provided, however, that such additional bonds may be so issued only in accordance with and subject to the covenants, conditions and restrictions relating thereto set forth in the Ordinance.

The City covenants with the Owner of this Bond to keep and perform all covenants and agreements contained in the Ordinance, and the City will fix, establish, maintain and collect rates, fees and charges for the use and services furnished by or through the System to produce Revenues sufficient to pay the operation and maintenance costs of the System, pay the principal of and interest on the Bonds and provide reasonable and adequate reserve funds. Reference is made to the Ordinance for a description of the agreements made by the City with respect to the collection, segregation and application of the Revenues, the nature and extent of the security for the Bonds, the rights, duties and obligations of the City with respect to the Bonds, and the rights of the Owners.

The Bonds are issuable in the form of fully registered Bonds without coupons in the denomination of \$100 or any integral multiple of \$0.01 in excess thereof.

This Bond may be transferred or exchanged, as provided in the Ordinance, only upon the registration books kept for that purpose at the above-mentioned office of the Paying Agent, upon surrender of this Bond together with a written instrument of transfer or exchange satisfactory to the Paying Agent duly executed by the Owner or the Owner's duly authorized agent, and thereupon a new Bond or Bonds in any authorized denomination of the same maturity and in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Ordinance, and upon payment of the charges therein prescribed.
