## A Unique Opportunity To Celebrate Life

The City of Kirksville's Parks and Recreation Department offers you a unique and thoughtful way to celebrate life and love while making a meaningful contribution to your community.

Through the City's Tribute Tree and Memorial Bench Program, you have the opportunity to provide a gift that can be enjoyed for years to come.

The program allows you to donate a 1 - 2 inch caliber tree or a recycled content bench in a city park, open space, or along a trail. Once your memorial is placed, a commemorative plaque will be installed.

## How You Can Participate

To donate a tree or bench, complete the application on back. The cost to donate a Tribute Tree is \$300 per tree. This includes the initial purchase of the tree, perpetual tree maintenance, and the commemorative plaque.

To purchase a Memorial Bench, a donation of \$1500 per bench is required. The fee includes the purchase of the bench, installation of a concrete base, and a commemorative plaque that will be attached to the bench. All benches will be 5 - 6 feet in length and will be made with recycled content plastic or rubber materials.

City of Kirksville

# Tribute Tree and Memorial Bench Program

I wish to participate in the:

Tribute Tree Program - My check for \$300 per tree, payable to the City of Kirksville is enclosed.

Memorial Bench Program - My check for \$1500 per bench, payable to the City of Kirksville is enclosed.

I would like:

To be contacted so I can help select where the tree or bench is placed.

The City to select the location that is best suited for the tree or bench.

To select the species of tree planted.
